Originality of Speech.

A MAN afflicted with a peculiar form of mental deformity was chatting a few days ago with an attendant in the insane department of the almshouse. Suddenly raising his voice he exclaimed: "Take off my coat!" The attendant stared, but took no notice of the demand and continued the conversation. The request was repeated several times, each time more forcibly than before, but whenever the attendant touched the patient's coat the latter resisted indignantly. Both men the attendant touched the patient's coat the latter resisted indignantly. Both men were sitting near the window, and a few PIANOS, ORGANS, minutes after the first request the insane man's keeper unconsciously pulled down the blind to keep out the sun. The patient at once breathed a sigh of relief and cried, Why didn't you do it before ?"

The patient was suffering from what the doctors call amnæsic aphasia. It is a peculiar affliction, the victim of which press a certain idea, for others which con-My dear master, I am willing to work vey something entirely distinct or even in CHRIST CHURCH (EPISCOPAL)-Liberty for you.
